

Size Chart

Determine your size based on the length and width of your foot. If the foot is wider than indicated, you can use a larger size hook for the upper of your slippers.

Sizes		Foot Length	Foot Width
KIDS	Small (S)	6¼ - 7in (16 - 18cm)	Up to 3½in (9cm)
	Medium (M)	7 - 7¾in (18 - 19.5cm)	
	Large (L)	7¾ - 8½in (19.5 - 21.5cm)	
ADULTS	Small (S)	8 - 9in (20 - 23cm)	Up to 4in (10cm)
	Medium (M)	9 - 10in (23 - 25.5cm)	
	Large (L)	10 - 11in (25.5 - 28cm)	

HOW TO MEASURE FEET

- Measure while standing on the floor barefoot, or wearing a thin sock. Use a metric or imperial measuring tape/ruler.
- **Foot Length:** Measure from the center of the heel to the end of the longest toe.
- **Foot Width:** Measure across the ball of the foot between the widest points.
